La Trattoria was opened by Gerry and Louise Forte in May 1970. We were planning to celebrate our 50th Anniversary in May 2020 but obviously our plans were interrupted.

From Saturday July 4th, we are delighted to be serving sit down meals from our bistro at Caffè Tratt.

It will be necessary to reserve a table via our website in order to comply with Government directives.

We hope you will understand that we must prioritise the health of our team and customers in order to remain open.

Our menu is delicious, but simple, in order to comply with government guidelines on the number of people permitted to work in the kitchen at one time.

For further information, please visit our website.
